

## Manpower 2009 –Visions and Dreams - Why Men Need Visions and Dreams - Dr. Myles Munroe

The key to God's strategy for ruling the Earth is the male man.

The man is the foundation of the home.

God's goal was to fill the earth with the culture of Heaven.

Matthew 6:9 – 13 – The Lord's Prayer

It is in **your** nature to lead.

Vision is a preview of your purpose.

God only made one man from the soil and never went back.

Genesis 1 is the summary of what God did. God created Man here.

Genesis 2 is the detail of how God did it.

Whatever you mismanage, you will lose.

Genesis 2:15 – God put the man in Eden.

You need Eden.

You must come back to God's presence.  
God gave man work before He gave him a woman.

The Devil is after you.

God's first command to Adam was to work.

What does it mean to work?

Your work is your vision. Your job is your income.

You are here for an assignment. Purpose is more important than plans.

Your worth is in your work.

Know your work before looking for a woman.

When a man finds his work, he comes alive.

God made woman as a helper.

A woman needs the male's work to be fulfilled.

A female is an incubator – She takes what you give her, multiplies it, gives it life, and gives it back.

What is your work?

Proverbs 29 – Where there is no vision, the family will perish.

If what you see is not what you saw, it is only temporary.

Without a vision, you are fair game to Satan.

Believe what you are dreaming.

Your vision is more real than your present reality.

Joel 2:28 – 29

When Jesus comes back, the Old will get their dream, the Young will get their vision.

A dream is a vision that cannot be accomplished in your lifetime.

Prophecy or nagging?

Your birth is evidence that God had already finished what you would start.

Joseph saw his end early in life.

Get your dream and vision on paper.

You do not believe it until you start talking about it.

Is this what you saw?  
(Remember it may only be temporary)
